Participate in an educational conference specifically for European pet food professionals

The pet food market is continuously growing on a global scale, creating a need for constant innovations and the ability to stay ahead of consumer demands. Throughout all stages of industry expansion, Europe’s pet food presence has remained strong on a global scale, helping to lead the rest of the world.

Petfood Forum Europe 2019 will feature new research and information on:

• The European and global pet food markets—an update on data and trends
• Latest innovations driving product development
• Exclusive research on companion animal nutrition

Petfood Forum Europe 2019 will be part of VICTAM International 2019.
