Visit KC **Welcome to Kansas City!**

On behalf of Visit KC and our regional hospitality industry of more than 48,000 strong, it is my distinct pleasure to welcome WATT Global Media back to KC for the 2023 Petfood Forum.

There has truly never been a better time to join us in the Heart of America. I hope you've already begun enjoying our latest additions, none more prominent than the brand new single terminal at Kansas City International Airport. If you had the opportunity to arrive by air, you've surely taken notice of the transformation. It's a point of pride and a demonstration of our commitment to providing a world-class experience for visitors at every step. (When the time comes for you to depart from Kansas City, I hope you'll be able to make it to the airport a few minutes early and sample the terminal's fantastic local dining options.)

Of course, the region's winning streak doesn't stop once you've left your gate—not even close. With the Kansas City Chiefs' recent victory, we continue to celebrate our place as a championship city. We're also eagerly anticipating some incredible additions that are right around the corner. By this time next year, the National Women's Soccer League's Kansas City Current is slated to open its new stadium on the banks of the Missouri River, marking a global milestone: The venue will be the world's first stadium purpose-built for a professional women's sports team.

No matter where your interests lie, you'll find unforgettable destinations during your time in KC as you browse our brilliant collection of cultural institutions. Acquaint yourself with some of the country's greatest athletic legends at the Negro Leagues Baseball Museum and dig deep into the area's musical contributions at the American Jazz Museum. Step back in time for new perspectives on global history at the National World War I Museum and Memorial. Catch a game on the big screen at the Power & Light District, raise a glass in the Crossroads Arts District or get in touch with the city's riverfront beginnings in the River Market. Whichever one of our vibrant neighborhoods you choose to visit, plan to arrive via the free, 2.2-mile KC Streetcar running through the heart of Downtown Kansas City.

Our city is ready to greet you with its signature Midwestern warmth and introduce you to the essential—and unforgettable—elements of KC culture. In short, we're thrilled to welcome you and eager for you to savor all the area has in store.

Thank you for joining us for Petfood Forum. We hope it's a productive and enjoyable conference.

Should you need anything during your stay, please don't hesitate to contact us at 800-767-7700 or via VisitKC.com and @VisitKC. It would be our pleasure to help.

Sincerely,

Jason Fulvi, CDME
President & CEO
